

MARIA NAVARRO
graphic artist & designer

ABOUT ME

Hi, I'm a passionate and enthusiastic graphic artist and designer based in Berlin. After finishing my studies I focused mainly on print and editorial design while in my spare time I enjoyed creating digital art concepts, vector illustrations, icons and drawings.

Proficient with colour theory and a sharp eye for details. Basic knowledge of HTML and CSS. Influential team worker with high sense of responsibility and commitment. Easy learner of new tools. Fluent in **English**, native **Spanish** and elementary proficiency in **German**
